About this document

This document contains information about the current release of Sage 300 Construction and Real Estate Estimating products. This document includes information about new features and enhancements for the release, resolved issues, and any known issues.

About this release

The 13.1 release of Sage 300 Construction and Real Estate Estimating products includes enhancements and software fixes. For detailed information about the enhancements and fixes in a specific module, refer to the highlights described below.

Software Changes, Resolved Issues, and Known Issues

New Features and Enhancements in 13.1

The 13.1 release of Sage 300 Construction and Real Estate does not contain any major updates for Estimating products.

Known Issues

Estimating Explorer Will Not Install

After installing Estimating Explorer on a computer operating Windows 8, subsequent attempts to open it were unsuccessful. This error appears because Estimating Explorer is not compatible with Windows 8. For this release, if you attempt to install Sage 300 Construction and Real Estate 13.1 on a computer running Windows 8 or Windows Server 2012, all applications except Estimating Explorer will install.

Support and Assistance

Online Help

Each Sage 300 Construction and Real Estate Estimating product includes Help, which provides answers to your questions about procedures as well as items in the windows.

To access Help in software:

In a window, click the Help button or icon, or press [F1] to display the help topic for that window.

In the Desktop, click **Help > Application Help**, and then choose the desired application.

To aid you in finding the information you need, Help for each application includes the following tabs:

- **Contents** contains links to the help topics.
- **Index** contains keywords that link to help topics related to that keyword.
- **Search** type text and click [**Search**] to locate that text in the help topics.

We would like your feedback about Help so we can make improvements. Each Help topic contains an area where you can indicate whether the topic was helpful and provide additional comments. To protect your privacy, all comments are anonymous.

Training and Workbooks

Sage University offers online training sessions in both live and recorded formats, with options for every budget, schedule, and experience level. To access Sage University, visit www.sageu.com.

You can also access Sage University from the **Help** menu > **Web Resources** > **Sage University**.

To order workbooks, visit the Sage University Marketplace, which is accessible from Sage University.

Technical Assistance

Depending on your Sage Service Plan, you may be able to take advantage of the following services:

Sage Customer Portal

You may log on to the Sage Customer Portal at

<https://customers.sagenorthamerica.com/irj/portal/anonymous/login> to access any of the following:

- **Knowledgebase** Find answers to your questions, access downloads, and subscribe to your favorite articles. This service is available online 24/7.
- **Live Chat** Chat online with a customer support analyst - a great option for quick questions. Chat hours are Monday through Friday from 6 a.m. to 3 p.m. Pacific time, with the same exceptions as telephone support (see below).

- **Online Support Request** Submit an online support ticket when you have a non-urgent question. One of our call center support analysts will assist you. Online support hours are the same as our customer support call center hours (see below).

Sage Customer Support Call Center

Telephone Support When you have a more urgent question or would prefer to speak to a customer support analyst directly, call us at 800-551-8307. Telephone support is available Monday through Friday from 6 a.m. to 5 p.m. Pacific time with the following exceptions:

- Every Thursday from 2 p.m. to 3 p.m. Pacific time (closed for customer support staff meetings)
- Standard United States holidays
- Quarterly company meetings

Upgrading Your Service Plan

If your service plan does not provide online or telephone customer support and you would like to add or upgrade a service plan, please call 800-858-7098.
