Stay hungry. Stay foolish. Steve Jobs' mantra. This panel will showcase how innovation by design drives new and breakthrough products and businesses.

Finding your fan base. Creating your own business, much like being successful in entertainment, takes a level of tenacity and ultimately finding a client/consumer/fan base who'll support you. From TV to music to sports, panelists will discuss persevering through the hard times, experiencing the highs of success, and eventually finding the fan base who support their careers.

Thursday, July 30

GN-23: Changing conversations by asking better questions
