Sage Endorsed Partner Program

The Endorsed Partner program provides extensive benefits to you our valued Business Partners that improve customer experience and provide a competitive differentiation. As you may already know Sage is the exclusive distributor of all Endorsed Solutions. That means you can take comfort in the fact that the Sage name and brand is attached to these powerful Endorsed Solutions as revealed below.

How this benefits you…

Increased Annuity: When you sell an Endorsed solution you have an additional source of revenue

Faster Tier Advancement: Every dollar you spend with Sage on Endorsed Solutions counts toward your product and Maintenance and Support (M&S) Tier allowing you to advance tiers faster than ever

Simplified Process: Order co-branded Endorsed Solutions directly from Sage

How this benefits our customers…

Enhanced synchronized product release

One solution, order form, price, support phone number, and M&S renewal

Complete integration in pricing, marketing, product bundles, etc.
