Payroll Tax Updates

The following federal, provincial, and territorial tax changes are included in this update. You may need to adjust your employee records to reflect these tax changes.

Federal Legislative Updates

This section lists federal legislative updates available with this release.

Note: Pre-printed T4 forms obtained from the CRA are no longer supported. You can continue to print these forms on plain paper.

EI Maximum Insurable Earnings and Premium Rates for 2018

The Employment Insurance premium rates and maximum insurable earnings have been released for 2018. The annual maximum insurable earnings for 2018 is set to $51,700.

The premium rates are:

- 1.66% for residents of provinces without a provincial plan (all of Canada except Québec)
- 1.3% for residents of Québec

The annual maximum contributions for the general rate are:

- Employee contributions - $858.22
- Employer contributions - $1,201.51

The annual maximum contributions for Québec are:

- Employee contributions - $672.10
- Employer contributions - $940.94

Pension Plan Rates and Maximum Pensionable Earnings for 2018

The Canada Revenue Agency announced that the maximum pensionable earnings under the Canada Pension Plan (CPP) for 2018 will be $55,900. Contributors are not required or permitted to make additional contributions to the CPP based on earnings exceeding this amount. Additionally, for 2018:
• The basic exemption amount remains unchanged at $3,500.
• The maximum contributory earnings increase to $52,400.
• The employee and employer contribution rates remain unchanged at 4.95%.
• The maximum employee and employer contribution to the plan is $2,593.80 each.

Note: The CPP/QPP and EI Balancing report (Reports > Canadian Payroll > Government Reports > T4s) has been updated with rates and amounts for 2018.

Federal Indexation for 2018

The federal indexation factor effective January 1, 2018 is 1.5%. This factor will be applied in the same format as it has been in the past few years and the indexation excludes pension, tuition, and education amounts. Note the exclusion of these three credits from indexation does not apply to the provinces of Alberta and Ontario. All credits in Alberta and Ontario are subject to indexation.

Provincial and Territorial Legislative Updates

This section lists provincial and territorial legislative updates available with this release. If a province or territory is not listed in this section, there are currently no tax updates or product modifications for that province or territory.

To confirm the amounts and to receive the forms for 2018, contact your tax services office or visit the government websites:

The following new features and improvements to payroll are included with this update.

Record of Employment

Record of Employment (ROE) files include expected recall dates only if Y - Expected date of recall is entered for box 14.

Payroll Earnings and Deductions Employment Codes

On the Payroll Earnings and Deductions window, a new T4 - Seasonal Agricultural Workers Program option is available in the T4/T4A Reporting field. If you select this option, employment code 15 is entered in box 29 on the employee's T4.

HR Product Updates

The following new features and improvements are included with this update to Sage HRMS.

Updated MSXML Version

With this release, we updated the version of MSXML in the program and as referenced during the Sage HRMS installation process.

Sage Employee Self Service Product Updates

The following new features and improvements are included with this update to Sage Employee Self Service.

Archive Messages Feature

Previously, some customers received a System Out of Memory error message when they tried to log in to Sage Employee Self Service if there were more than 10,000 notifications in the system. We resolved the
problem by adding a new Archive Messages feature. You can archive messages and notifications using the following processes:

- In the Message Center section of the System Setup page, you can select to display notifications from a specific date, archive messages, and delete archived messages prior to a specific date.
- If you select to archive messages, when a Manager or Administrator is in the Message Center, they have the option to Archive (instead of delete) their notifications.
- You can view archived messages from the Message Center > Related Links panel > Archived Messages link.

Form W-2 for 2017

With this release, we updated the Form W-2 for 2017 in Sage Employee Self Service. The only change was to update the year as it displays on the form.
Sage Payroll Tax Forms and eFiling by Aatrix

Sage Payroll Tax Forms and eFiling by Aatrix is a feature included with Sage HRMS. This functionality provides updated reports and forms at no cost and enables you to fill out and file tax forms electronically for a fee.

To begin using tax forms with Sage Payroll Tax Forms and eFiling by Aatrix, open one of the tax forms available in Payroll > Government Reports > Federal Tax Filing or State Tax Filing. You will be prompted to register your organization with Sage Payroll Tax Forms and eFiling by Aatrix. After registering, you have the option to enroll your company (or companies) in the eFiling service.

**Note:** You must register your organization with Sage Payroll Tax Forms and eFiling by Aatrix each year.

Product Update Installation Instructions

Follow the instructions in this section to download, install, apply, and verify this Product Update.

Before you start:

- Back up your data.
- Make sure all users have exited the program.

Downloading the Product Update

To download the update:

1. Visit the Sage Knowledgebase at https://support.na.sage.com, click Log on, and then log on to the site.
2. In the Support by product section, click Select your product, and then click more products.
4. In the Latest updates section, click an update to download.
5. In the article, click Download Now to launch the Sage Download Manager, or click the direct download link to download the executable file.

Installing the Product Update

To install the Product Update:

**Note:** You should launch the product update on the server where Sage HRMS is installed.

1. To launch the installation program, right-click the Product Update file and run as administrator, or as the current user with administrator rights.
   - If applicable, make sure the Protect my computer and data from unauthorized program activity check box is not selected.
   - If there is no option to run as administrator, log on as an administrator, and then double-click the Product Update file.
Tip: Depending on your security system, you may need to right-click on the installation file and select Unblock.

2. After the InstallShield Wizard determines requirements, click **Next** to resume installing the Product Update.

3. Click **Finish** to finish the installation.

4. Click **Update**.

5. Click **Yes**. The system starts the installation.

6. Follow the instructions on the windows that follow, and then click **Finish**.

7. Open the Sage HRMS Client. A message prompts you to continue.

## Updating Sage HRMS Client Files

**To update Sage HRMS Client files:**

1. Right-click on the Sage HRMS Client program and select **Run as administrator** to initiate the file update process.

2. Click **OK** to proceed and update your files.
   
   A message displays that Sage HRMS could not detect the current version of one or more Payroll modules.
   
   - If you have administrator privileges, click **Yes** to install the Payroll modules now.
   
   - If you do **not** have administrator privileges, click **No**, and then contact your system administrator to proceed with the installation.

When installation of the Payroll modules is complete, you may be prompted to restart Sage HRMS.

## Verifying the Product Update

After the update is complete, you can confirm that the update was installed successfully by selecting **Help** > **About Sage HRMS** and verifying that the version number corresponds with the version of the update .exe file.

You can also verify the latest tax update is applied to your system by selecting **Payroll** > **Process Payroll** > **Calculate Payroll** and the **Tax Version** listed on the window should display the date: January 1, 2018.

Tip: Now is a good time to update your Sage HRMS Payroll sample data. After installing the Product Update, the next time you log in to your Sample Data, you will be prompted to update files again. Click **OK** to proceed and update your sample data files.
Sage Employee Self Service Update
Installation Instructions

After you have downloaded the Sage Employee Self Service update from the Sage Knowledgebase, follow these instructions to install the update and to resume your payroll processing.

Before you start:

- Verify that Sage HRMS has been installed and is working correctly.
- Verify that you have Administrator access (Local Administrator access is preferred) and permissions to log on as a service, launch processes, and access Sage HRMS data.
- If you are using Sage Employee Self Service and/or Open Enrollment, make sure all enrollment periods are closed, and that all users have exited and logged off from Sage HRMS and Sage Employee Self Service.
- When the update is complete, you will be prompted to restart your system. Before you begin installing the update, make any necessary preparations for this required restart.

Downloading the Update

1. Visit the Sage Knowledgebase at https://support.na.sage.com, click Log on, and then log on to the site.
2. In the Support by product section, click Select your product, and then click more products.
4. In the Latest updates section, click an update to download.
5. In the article, click Download Now to launch the Sage Download Manager, or click the direct download link to download the executable file.

Important! During this installation process you must enter your Sage Employee Self Service username, organization name, serial number, and install code. You can find this information in System Maintenance under Start > All Programs > Sage Employee Self Service > System Maintenance.

Once you start the installation, your customer information clears from System Maintenance, so please copy or save a screen shot of your company’s product information to reference when prompted. Best practice is to collect this information before you start the update.
Installing the Sage Employee Self Service Update

1. **Using your external backup procedures, back up the Sage HRMS and Sage Employee Self Service databases to a media device that is external to your product servers:**
   
a. Log on to the Sage Employee Self Service server and select Programs > Employee Self Service > System Maintenance to open the Sage Employee Self Service System Maintenance window.

b. On the Configuration and Settings tab, in the Employee Self Service section, select the Locked check box, and then click Save.

c. On the SQL Maintenance tab, verify the Backup File Path is correct, and then click Backup.

d. Prepare to update Sage Employee Self Service by closing all Windows applications.

e. Run the setup.exe file provided with the installation package with Administrative privileges (right-click the file and select Run as Administrator).

   **Tip:** Depending on your security system, you may need to right-click on the installation file and select Unblock.

2. The installation program detects that a previous version of Sage Employee Self Service has been installed. Click Next, and then follow the prompts on the InstallShield Wizard.

3. On the Ready to Install the Program window, click Install to proceed with the installation.

4. The system displays Installation windows indicating the progress of the installation. When the InstallShield Wizard Completed window appears, click Finish.

   **Note:** One installation window prompts you to enter your customer information (username, organization name, product serial number, and install code). After you start the update process, your customer information clears from System Maintenance. Best practice is to collect this information before you start the update.

5. When the update is complete, click Yes to restart your system.

6. After your Sage Employee Self Service server restarts, from the Start menu, select All Programs > Sage Employee Self Service > System Maintenance to open the System Maintenance page. Verify that all the information is correct.

7. On the Configuration and Settings tab, clear the Locked check box.

8. Exit System Maintenance.

9. Log on to Sage Employee Self Service as the MASTER user to complete the process.

The update is now complete and you are ready to start using Sage Employee Self Service.
