Keep your business running smoothly with automatic updates of the most up-to-date software available. With a Sage Business Care Silver plan you'll receive every new release of Sage Simply Accounting as soon as it's available. You also receive twelve months of free Essentials online training and a \$50 e-Coupon that can be used in the Sage University Anytime Learning online course curriculum to learn more about Sage Simply Accounting when it's convenient for you. These essential, self-paced, online courses offer everything from quick start overviews to inventory courses. Sage Business Care Silver service plans are available for your accounting solution of choice.

## Sage Business Care Payroll

Available as part of the Sage Business Care Gold service plan, Sage Business Care Payroll offers all the tools you need to prepare payroll in-house and avoid costly outsourcing fees.

Enjoy the convenience of receiving the latest federal and provincial payroll tax updates as soon as they are released and easily prepare payroll cheques with automatic tax calculations. Reduce the risk of payroll tax penalties at year-end by accurately calculating your employees' earnings and deductions. Prepare government T4's, ROE's or RL-1's with ease for print or online filing and review payroll records before preparing T4's with a PIER-like report. Hassle-Free Paydays are just around the corner with electronic payments to employees using Sage Simply Accounting Direct Deposit (additional fees apply).
