

Technical Assistance for Sage 100 Contractor

Using your software's in-product Help system is always a good first step to answer your technical questions. When you need additional help, there are several ways to connect with Sage. Depending on your Sage Service Plan, you may be able to take advantage of the services shown in the following chart. Please keep in mind, our response times can be longer during peak times.

Type of Question	Recommendation	How to Reach Us
How-to or step-by-step instruction	Sage Knowledgebase Find answers to your questions and subscribe to articles.	Sage Customer Portal Log on and click Knowledgebase . <i>Available 24x7</i>
Quick inquiry	Live Chat Chat online with a customer support analyst.	Sage Live Chat Click Live Chat , then enter your name, email address, & question. <i>For quick questions, this is your fastest way to get assistance</i>
Complex, but not urgent	Online Support Request Submit your questions through a web form for our customer support analysts to contact you.	Sage Customer Portal Log on and click Cases .
Audit error	NEW! Online Support Request Submit your questions through a web form for our customer support analysts to contact you.	Sage Customer Portal Log on and click Cases .
Complex and/or urgent	Customer Support Call Center Work with one of our customer support analysts over the phone.	800-866-8049
