What's new and product improvements

New features and product enhancements

	Pro	Premium	Quantum
Enhancement for payroll			
Flexibility and efficiency while running payroll Need to update employee information while in the payroll run? You can do that now without needing to re-key data. ¹ You can also quickly create employees without requiring payroll details.	Yes	Yes	Yes
Improvements for Sage 50cloud			
Save time and reduce errors during bank reconciliation Create bank rules and apply them to incoming transactions from bank feeds or uploaded statements to reduce time and effort. ²	Yes	Yes	Yes

¹ You need a service plan that includes payroll.

² You need a service plan that includes Bank Services.

	Pro	Premium	Quantum
Improved user experience			
<p>Create payment stubs when paying vendors in cash or by credit card</p> <p>We've been listening! You can now send payment stubs to vendors when paying in cash or by credit card. Invoices included in the payment are on the stub as well.</p>	Yes	Yes	Yes
<p>Longer email addresses for employees</p> <p>The maximum allowable length for an email address in the Employee Records window has been increased to 129 characters.</p>	Yes	Yes	Yes
<p>Support for 32 or 64-bit version of your Microsoft applications</p> <p>Whether you've installed 64-bit Microsoft 365 or a previous 32-bit version of Office, Sage 50's Microsoft Office Documents will work with either version of Office.</p>	Yes	Yes	Yes
<p>Additional shortcuts on home window</p> <p>The number of shortcuts has been increased from 10 to 25 for maximum flexibility.</p>	Yes	Yes	Yes
<p>Enhanced database security</p> <p>To allow for longer and more complex passwords for better security, Sage 50 now accepts a maximum of 129 characters</p>	Yes	Yes	Yes

	Pro	Premium	Quantum
for the company database.			
<p>New desktop shortcut to support</p> <p>We've included an option to install a desktop shortcut to support resources. You can rest assured you're contacting the real Sage.</p>	Yes	Yes	Yes
<p>Additional fields for deposit slips</p> <p>If your bank requires additional information on your deposit slips, Sage 50 lets you now include additional GL account fields in the Sage 50 Forms Designer.</p>	Yes	Yes	Yes
Sage Brand – Refreshed look and feel			
<p>New logo, program icon, and colours</p> <p>You'll notice a refreshed Sage 50 program icon and a newly unveiled brilliant green Sage logo in the program itself. The colour palette includes an emphasis on brilliant green, black and white, in keeping with the Sage identity that focuses on simplicity and insight.</p>	Yes	Yes	Yes
