Introduction

This guide describes payroll tax related updates for tax filing year 2021 and covers changes to withholding tables, standard deductions, exemptions, and wage base limits that have been made to the online Sage 100 payroll tax database. It is a supplement to the Payroll Tax Update Report located on the Payroll Utilities menu, which lists the updates that are installed using the Payroll Tax Update utility.

This guide is provided for informational purposes. Changes to the online payroll tax calculation engine are handled by Sage; however, some updates may also require you to download and install the update available through the Payroll Tax Update utility.

This guide pertains to the versions of Payroll that are compatible with Sage 100 2018 and later.

Installation instructions

To verify whether you have the latest tax update installed:

1. Select **Payroll > Utilities > Payroll Tax Update**.
2. Click **Proceed** to download and install the latest tax update.
3. To access this task, the Allow Payroll Tax Update security event check box must be selected for your role in Role Maintenance. Select **Payroll > Utilities > Payroll Tax Update**.

Next steps after installing the payroll tax update

Before processing payroll for the new tax year and after installing each tax update, complete the following steps.

1. Review the [list of payroll tax changes](#). You may need to make some additional changes in Sage 100. Additional changes are listed in the Items Changed column and are prefaced with **Note**.
2. Run the **Payroll Status Check** utilities located on the Payroll Utilities menu. For more information, see [knowledgebase article 101808](#) or search *Payroll Status Check* in Sage 100 help.
3. For the **Federal** and **each states' Tax Group** for which you process payroll, verify that your correct employer unemployment tax rate as well as any other applicable employer tax rates are entered for the new tax filing year.
 - a. Select Payroll > Setup > Company Tax Group Setup.
 - b. Select the applicable tax group.
 - c. Click the Tax Rates tab.
 - d. Select the applicable tax from the Tax list.
 - e. Enter the effective date and your company's tax rate.
 - f. Click Accept.
4. Complete the steps above for any remaining states for **each of the Sage 100 companies** in which you process payroll.

Payroll Tax Changes

The tax changes listed below are grouped by the deployment date, which is the date they are made in the online payroll tax calculation engine and, if applicable, are available to download in Sage 100.

Because Sage must wait for state tax agencies and the IRS to post their tax changes for the new tax year, multiple tax updates may be deployed as needed throughout the months of December and January.

August 19, 2021 Deployment

The following changes were included in the tax update that was deployed August 19, 2021. Unless otherwise noted, these tax changes are effective as of July 1, 2021.

State Taxes

Code	Description	Items Changed	Amount
ID	Idaho	Withholding Tax Tables Note: Effective January 1, 2021	
ID	Idaho	Supplemental Tax Rate decrease Note: Effective January 1, 2021	6.5%

OH-DARCO-YORVI	Yorkshire VI (Darke County), Ohio	1%

REVISED: Local Income Taxes

Code	Description of Items Changed
OR-MULCO	Multnomah County Preschool for All Income Tax (Oregon)
OR-INDCO-METRD	Metro Supportive Housing Services Income Tax (Oregon)

The City of Portland Revenue Division has updated the Employee Opt In/Out Form (Form Revision Date: 6/11/2021) for the Metro Supportive Housing Services (SHS) Income Tax and the Multnomah County Preschool for All (PFA) Income Tax. Based on the change to the selections in the Opt In portion of the form, the following change has been made for the Single Opt In Form and Joint Opt In Form filing statuses in Sage 100.

For existing employees who have completed the Opt In/Out form with a selection in the Opt In section and who have a filing status with an annual withholding amount, you must change to a per paycheck withholding amount. On the Taxes tab In Employee Maintenance for the Multnomah County PFA or Metro SHS tax line, change the amount in the Override Amt field to the per paycheck withholding amount.

For new employees who have completed the Opt In/Out form and made a selection in the Opt In section, you **must** enter the **per paycheck** withholding amount from the form in Employee Maintenance on the Taxes tab. For the Multnomah County PFA or Metro SHS tax line, do the following:

1. In the **Tax Calc Override** field, select **Add an Amount**.
2. In the **Override Amt** column, enter the **per paycheck** amount from the employee's form.

Note: During Tax Calculation for the Single Opt In Form and Joint Opt In Form filing statuses, the **per paycheck** withholding amount will now be used. The tax amount will be equal to the amount entered in Employee Maintenance rounded to the nearest dollar.

Local Income Tax Rate Increase

Code	Description of Items Changed	Amount
OH-WARCO-TURCT	Turtlecreek-Monroe Raceway JEDD (Warren County), Ohio Note: Effective January 1, 2020	2%

June 24, 2021 Deployment

The following changes were included in the tax update that was deployed June 24, 2021. Unless otherwise noted, these tax changes are effective as of July 1, 2021.

State Taxes

Code	Description	Items Changed	Amount
NV	Nevada	Nevada Modified Business Tax - Financial Institutions Employer Liability tax rate table Note: Effective retroactively to July 1, 2019	1.378%
NV	Nevada	Nevada Modified Business Tax Employer Liability tax rate table	1.853%
		Action Required: To calculate this tax you must enter the tax rate in Company Tax Group Setup on the Tax Rates tab.	
		Note: Effective retroactively to July 1, 2019	

New Local Income Tax

Code	Description of Items Changed	Amount
OH-WOOCO-WMIVI	West Millgrove (Wood County), Ohio Note: Effective January 1, 2020	1%

May 27, 2021 Deployment

The following changes were included in the tax update that was deployed May 27, 2021. Unless otherwise noted, these tax changes are effective as of July 1, 2021.

REVISED: Local Income Taxes

Code	Description of Items Changed
------	------------------------------

Note: For updated information, see the [REVISED: Local Income Taxes](#) section in the July 15, 2021 Deployment section of this document.

Based on the recent updates to the calculation of Multnomah County Preschool For All (PFA) Income Tax and Metro Supportive Housing Services (SHS) Income Tax by the City of Portland Revenue Division, the following modifications have been made for the following tax codes: **Note:** Effective April 12, 2021

- OR-MULCO Multnomah County Preschool for All Income Tax (Oregon)
- OR-INDCO-METRD Metro Supportive Housing Services Income Tax (Oregon)

The following filing statuses have been added in Sage 100 based on the Employee Opt In/Out Form (Updated 4/12/21) for both the Metro SHS and Multnomah County (PFA) taxes:

- Single – Opt In Form
- Joint - Opt In Form
- No Opt In/Out Form
- Single - Opt Out Form
- Joint - Opt Out Form

Further required action:

One of these 5 filing statuses **must be selected** for the Multnomah County PFA and Metro SHS taxes. If you currently have the Married or Single filing status selected for an employee, you **must** change to one of the new filing statuses to calculate these taxes. The Multnomah County PFA and Metro SHS taxes will no longer calculate if the Married or Single filing statuses are used.

Single Opt In Form and Joint Opt In Form:

If the Single or Joint Opt In Form filing status is selected and the employee has entered an annual amount to be withheld on the Employee Opt In/Out Form, that annual amount must be entered in Employee Maintenance on the Taxes tab.

On the **Taxes** tab for the Multnomah County PFA **or** Metro SHS tax line:

- In the **Tax Calc Override** field, select **Add an Amount**.
- In the **Override Amt** field, enter the **annual amount** from the employees' Employee Opt In/Out form.

Based on the **annual** amount entered, the tax will be calculated on a per pay period basis when running Tax Calculation.

Note: For Multnomah County PFA and Metro SHS taxes the amount entered in the Tax Override Amount field is an **annual** amount. For all other taxes, the Tax Override Amount field will continue to work as it currently does with an amount per pay period.

No Opt In/Out Form:

The No Opt In/Out filing status replaces both the Married and Single filing statuses. If this filing status is selected for the Multnomah County PFA tax or Metro SHS tax, during Tax Calculation, the taxes will be calculated based on the Standard Deduction, Phase Out table, and the Rate table.

Single Opt Out Form and Joint Opt Out Form:

If the Single or Joint Opt Out Form filing statuses are selected, no Multnomah County PFA or Metro SHS taxes will be calculated during tax calculation.

New Local Income Taxes

Code	Description of Items Changed	Amount
