# Payroll Tax Updates

The following provincial and territorial tax changes are included in this update.

## Provincial and Territorial Legislative Updates

This section lists provincial and territorial legislative updates available with this release. If a province or territory is not listed in this section, there are currently no tax updates or product modifications for that province or territory. For details about each update, review the CRA July 1, 2017 government publication or visit the CRA website.

### Prince Edward Island

Effective for the 2017 tax year, the basic personal amount has increased. You must manually specify the prorated basic personal amount of \$8,320 on the **Employees** window.

### Saskatchewan

Effective July 1, 2017, tax rates have decreased.

# Product Updates

This update does not include any new features or improvements for payroll.

# Product Update Installation Instructions

Follow the instructions in this section to install, apply, and verify this Product Update.

## Before you start:

- Back up your data.
- Make sure all users have exited the program.
- Verify your service pack or product update level. To verify what service pack or product update you have installed, click the **System Information** option on the **Help** menu in Sage 300.

## Installing the Product Update

### To install the Product Update:

1. Right-click the Product Update file to Run as Administrator (or make sure you have administrator rights to run the installation) and launch the installation program.
2. On the Welcome window, click **Next** to continue to the Software License Agreement window.
3. Select the features to install. Click **Next**, then **Install**.
4. On the Setup Complete window, click **Finish** to finish the installation.

## Activating the Tax Update

### To activate the Tax Update:

1. Start Sage 300.
2. In the **Administrative Services** folder, select **Data Activation**.
3. Select the current tax update, and then click **Activate**.
4. If you are prompted to convert a previous payroll tax update to the current version, click **Proceed**.

After you complete installation and activation, and after you have made any adjustments described in this document, you can resume processing payroll.

## Verifying the Product Update

After the update is complete, you can confirm that the update was installed successfully by selecting **Help > System Information**.
